FEBRUARY EDITION

CHRYSTON
PARISH CHURCH

Welcome

Welcome to Connect — our magazine designed to keep you up to date with all that's happening in and around our church community. Connect is available online through our website, and printed copies can be picked up in the church building at our poster points. We also provide easy-read copies and can arrange delivery for anyone who doesn't have digital access or who may have mobility difficulties. If you, or someone you know, would appreciate a delivered copy, please don't hesitate to let us know.

Our church building is a busy and vibrant place, used by a wide variety of groups throughout the week — from fitness classes to music and movement sessions for little ones. There's something for everyone! To find out more about what's on and how you can get involved, visit our website at www.chrystonparishchurch.co.uk. You can also connect with us on Facebook and Instagram.

Our Sunday services are at the heart of all that we do. We gather as a church family, young and old, to worship God together. Whether you're looking for a new church home or simply exploring Christianity for the first time, joining us on a Sunday is a wonderful place to begin.

Our friendly Welcome Team will be there to greet you as you arrive and will be happy to answer any questions you may have. As a church family, we love to spend time together — chatting, catching up, and encouraging one another before and after the service.

If you're visiting for the first time, we'd really love to get to know you. Please do stay afterwards for refreshments and a good conversation.

If you're unable to join us in person, our services are also available online via our YouTube channel and Facebook Live. Our website has further details, including how to watch or listen again to previous services using video or MP3. If there's anything we can help with, please get in touch — we'd love to hear from you.

The church is a place where a warm welcome awaits — not just on Sundays, but every day of the week.

DAILY READINGS PRAYING THE BIBLE

“In listening to his voice we find our own”

Each day there is a short passage to read.
As you read ask yourself these three questions.
What in the passage is there something to...

ADORE- What did you learn about God for which you should praise or thank him?

ADMIT- What did you learn about yourself for which you could repent?

ASPIRE- What did you learn about life that you could aspire to ask for

Don't close your Bible yet because in listening to His voice we find our own.

Take the things you have learned from the reading and then use them to help you pray.

What does God want you to ADORE him for?

What do you need to ADMIT to him?

What could you ASPIRE to and ask for?

Each day try and pray for something national, something local, something in your family, something in the church and something in your own life.

Song for February

Spiral by Haddon

“Spiral” by Haddon is a Christian song exploring why God allows suffering in a fallen world, offering a message of hope, faith, and perseverance to “finish the story for His glory”. It reflects on personal insecurities and shared struggles, encouraging listeners to trust in God's plan during difficult, confusing times.

“Everything can be used for His glory, even when its hard to understand the plan.”

“We wrote this song out of this question that we all ask sometimes. Why does God allow so much suffering? Job's story shows us that bad things will happen to good people. Ultimately we live in a fallen world and the whole earth suffers due to the effects of sin. I hope this song reminds you that God does have a plan to restore his creation, and nothing is more important than being prepared to face him one day. There's no other hope outside of Jesus!”

Find it on YouTube or church website-worth it!
