

IMAGINE

What could God do through us?

Sharing Jesus at the heart of our community

TODAY WE'RE ASKING...

What could God do through us?

LOVING OUR COMMUNITY

A CULTURE OF INVITATION

ENCOUNTERING JESUS

How are we loving them? →

Would we invite them? →

How could they encounter Jesus?

**KEEP ONE
PERSON IN MIND**

Think of someone
you know who has
little or no connection
with church.

Would what we're
talking about genuinely
help someone like them
take a step towards Jesus?

THREE QUESTIONS

CELEBRATE

What is fruitful and worth strengthening?

CHANGE

What should we do differently – or perhaps stop?

IMAGINE

What aren't we doing that perhaps we should?

*Possibilities first.
Practicalities later.*

HOW WE'LL TALK TOGETHER

Listen as much as you speak.

Make space for every voice.

It's okay to disagree.

It's okay to pass.

Be curious before being critical.

If you're normally quick to speak, make some space. If you're normally quieter, we'd really value hearing what you see that the rest of us might miss.

LOOKING FORWARD – IMAGINE...

Imagine it is three years from now.

If you were talking to a stranger about our church,
what would you hope you could tell them
you are thankful for?

What would
be different?

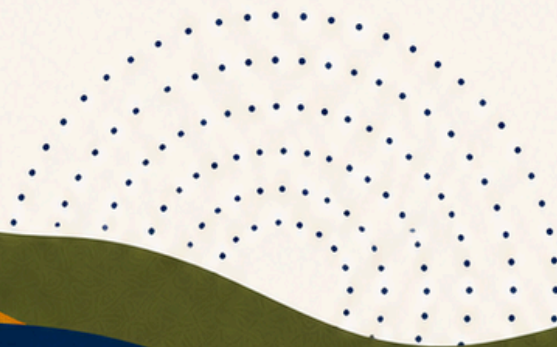

What would
have grown?

What would we be
thankful God had done?

What could God do through us?
